

What makes Helpside's employee benefits solutions different?

"Working with Helpside has allowed me to **save over 20%** on my employee benefits."

Scott Brown
President and Owner
MetaStock

Plans exclusive to Helpside.

The medical plan options offered by Helpside are exclusive to our clients.

Large group buying power.

Affordable medical plan rates with historically low annual rate increases.

Supplemental benefits options.

Options include dental, vision, life insurance, disability, accident, hospital indemnity, critical illness and 401(k) for a customized Fortune 500-level employee benefits package.

More employee choice.

Each employee has the choice of six different medical plan options, including four traditional PPO options and two HSA qualifying options.

And benefits are just the beginning. Learn more at helpside.com.
