A screenshot of the 'Add New Login' form. The form has a blue header with 'Add New Login' and a help icon. Below the header, there is a paragraph of text: 'This screen lets you add a new login/password combination to the system. This is only for adding employer or supervisor access, not for employees to clock in or out with the web clock. The new password must be at least eight characters long AND have two different classes of characters (e.g., uppercase, lowercase, symbols, or numbers).'. There is a radio button selected for 'Supervisor Login for A Plus Benefits TWP' with a description: 'Limited access to a single client account, such as view-only, or access to a partial list of employees.'. Below this is a section for 'User Information:' with several input fields: 'New Login: jthomas', 'New Password: .....,', 'Confirm New Password: .....,', 'First Name: Judy', 'Last Name: Thomas', 'Phone: 801-443-1315', 'E-mail Address: jthomas@helpside.com', and 'Confirm E-mail: jthomas@helpside.com'. At the bottom right, there is a 'Save' button with a red circle and the number '4'.

Step 5: Customize the “Supervisor Account Employee Visibility”. Click **Update Employee Visibility Settings**.

Step 6: Customize the “Supervisor Account Permissions”. Click **Update Permissions**.

### CHANGE LOGIN NAME (CURRENTLY JLTHOMAS)

You can change the login name to something else, as long as the name hasn't already been used on the system.

Enter the new login name:  [Submit](#)

### DELETE LOGIN

To delete the login, click the check box then click submit.  
This doesn't delete any of the client data. It simply removes the login and password from the system. If the user is currently online, they will be able to stay on the system until they log out.
